

Boasting of timeless simplicity, wrapped up in functionality, this modern style house features open living area that incorporates living room, kitchen and dining room without any doors or walls, making each space appear and feel large. One master and three bedrooms, garage and wooden decking show that this might be a perfect home for a medium-sized family. Sit in a deck chair, while sipping the wine and enjoying the marvelous views of the surroundings.

Floor Area: 135m²
